- 101900069 - BRICK MAT (2M X 1M X 7CM)

#### APPLICABLE STANDARDS

NF EN 16899 December 2016

NF EN 913 +A1 September 2021

Certificate issued following examination of the models referenced above, without production surveillance. Full report reference: **2025 12 03 / BRICK / PARK INT 001**

#### Important note:

- The conformity of the equipment applies solely to the reference(s) listed above, based on the characteristics and technical documentation provided by the manufacturer.
- This conformity is valid only provided that the manufacturer's assembly instructions and/or operating guidelines included in the present file are strictly complied with.
- It is the manufacturer's responsibility to ensure that the equipment delivered with this certificate corresponds to the products examined by SCMS Europe.
- Any modification or partial adaptation of the equipment listed above shall render this certificate null and void and shall require a new conformity assessment.
- This certificate may only be distributed in its entirety.
- Use of the name SCMS Europe on any commercial documents or communication materials is subject to prior authorization.

Certificate issued  
**03 December 2025**
