

Competition Free Exercise Floor “Moscow” 13 x 13 m

Same construction and abilities as swing floor "Moscow" 14x14m but due to the different size NOT FIG certified.

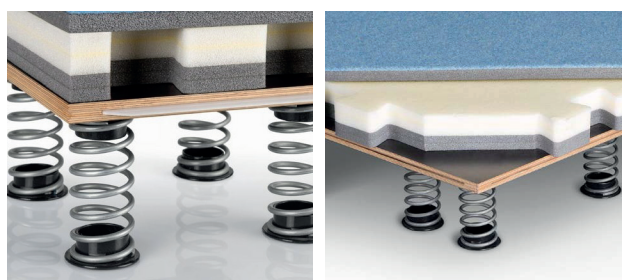

Top competition free exercise floor. A unique concept with the new Springs & Security System. The newly designed high resistance sections, provided with high-resistance springs offer a floor with a dynamic and yet comfortable touch as never seen before.

Dynamics:

- A new spring system guarantees an optimal rebound.
- The high performance base of 12x12 m offers Increased comfort.
- A high quality foam layer for a fast response.

Security:

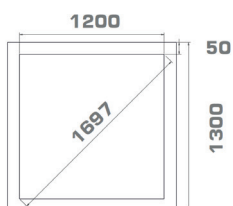

- High quality finished water resistant coated plywood (FSC)
- Resilient coupling strips, improved tongue and groove system, together with a system of 23 tension straps to lock the sections in their positions, provide a perfect homogeneity over the entire surface.
- An intermediate layer of high quality foam provides progressive absorption qualities and guarantees the best comfort at landings.
- Height 20 cm for a perfect integration in training halls.
- Perfectly suitable for all ages and levels.
- A new product with exceptional rebound characteristics on the entire surface that allows all gymnasts to always find optimal conditions.

TECHNICAL DATA

Certificates	Original System Reuther
Reference number	1790758
Dimensions	13x13 m, dynamic surface Competition area: 12x12 m Height: 20 cm
Sections	<ul style="list-style-type: none"> • Made of 15 mm high quality finished water resistant coated plywood (FSC) • 74 water resistant, 15 mm coated plywood panel with tempered steel springs. There are: 50 elements size 120x240 cm, 10 elements size 100x240 cm, 1 elements size 100x100 cm. • 1.960 high quality tempered steel springs carefully positioned for optimal dynamic properties • Resilient coupling strips, improved tongue and groove system, together with a system of 23 tension straps to lock the sections in their positions, provide a perfect homogeneity over the entire surface
Floor mats	Top layer 1300x1300x7 cm, composed as follows: <ul style="list-style-type: none"> • 172 easy to connect puzzle shaped foam pieces of 5 cm. • 7 rollable mats with special foam and needle-felt cover, each 1300x200x2 cm. • The floor mats are linked together by 6 'Duo Velcro' straps with needle-felt cover. • 4 white Velcro straps to mark the competition area of 12x12 m.
Edges	Foam strips reinforce the edges of the floor in order to guarantee a better stability for the gymnasts
PVC skirt	The floor is finished off with a PVC skirt provided with Velcro for attachment on the floor mats.
	Comes semi-assembled (springs and holders to be assembled)
	Packaging and scope of delivery data: see assembly instructions

SPECIFICATIONS

REQUIRED ACCESSOIRES ACCORDING TO FIG SPECIFICATIONS

- 1389161 Magnesia holder for feet (2x)
- 1389153 Magnesia stand "Munich"

NECESSARY ONLY FOR WARM-UP AND TRAINING

- 1540510 Landing mat "Happy Landing" 200 x 200 x 10 cm
